WELCOME BACK

Hey! Great to see you back. Hope you've missed us as much as we've missed making these periodicals for you.

NEW STUDENTS INTERVIEW

SO AS WE HAVE GOT NEW STUDENTS IN OUR SCHOOL WE DECIDED TO ASK THEM A FEW QUESTIONS.

Hi guys I want to ask how you like the school?

Student1: Oh hi, well it's really cool. The atmosphere is nice and we don't feel like insects here

Students2: Yeah and people are nice and helpful and they give some good advice about the teachers

Okie and do you have favourite lesson?

S1: Well I really like sport classes with Mr Góral

S2: Yeah sport classes are probably the best

And is there anything that you want to change or you see that this is needed?

S1: A machine with snacks...

S2: And coffee

S1: Yes this would be cool. Oh and we love the fact that we have our lockers it's great idea

How about your classmates?

S1: They are really nice people, we just start knowing each other but it's great

Okie last question. You know that at our school you need to take extended classes and you have some choices. Do you already know which one you want to take or do you struggle with it?

S1: I will decide between biology/chemistry and maths/physics. We'll see and the end of semester

S2: And I will probably take maths and physics

Okie, thanks for your time and good luck guys

THE
CRAZIEST
SPORTS

TOP 5

01 Chasing cheese

Yeah, you heard right. It's all about chasing cheese. In this competition the cheese "escapes" at the speed of tens of kilometers per hour on a steep slope. The rules are easy- who catches it first wins.

02 Wife carrying

This sport involves hoisting up your little miss and well, running. Through forest. Through sand. Through water. Over log hurdles. It's great fun but I wish you luck with your wife after the competition.

03 Buzkashi

This discipline belongs to Afganistan, Kirgistan, Turkmenistan, Uzbekistan and Kazakhstan. It's the sport in which horse-mounted players attempt to place a goat or calf carcass in a goal. Traditionally, games haven't got designated time, so you can play it as long as you want.

04 Chessboxing

In short: the duel consists of a maximum of 11 rounds: six 4 minutes rounds of chess and five 2 minutes rounds of boxing. The game ends with a mat or a knockout. Who would dare to try?

05 Skibobbing

There's no way to not get crashed in this sport! It is not skiing and it is not snow biking. You could call it as a combination of both of them. What do you do in this competition? You attach a skibob (it is something like a bike for snow) to your feet and you just go. There are no winners. You can't stop the game unless you crash or hit something.

DARE TO TRY AND SAY THESE?

TONGUE TWISTERS

1.

How much wood
would a woodchuck
chuck if a woodchuck
could chuck wood?

3.

I wonder whether
the wether will
weather or whether
the weather
the wether will kill.

2.

She sells sea shells
by the sea shore.
The shells she sells
are surely seashells.

4.

Which witch wished
which wicked wish?

What about some JOKES

- Knock knock
- Who's there?
- Ice cream
- Ice cream who?
- Ice cream if you don't let me in!

Why did the blonde put sugar on her bed?
Because she wanted sweet dreams!

Two monsters went to a Halloween party.
Suddenly one said to the other, "A lady just
rolled her eyes at me. What should I do?"
The other monster replied, "Be a gentleman
and roll them back to her."

Why do zombies only date intelligent women?
They just love a woman with BRAAAAINS!

Dear Jedi, today is Friday the 13th, there's
never been a better time to join the Dark
Side.
